

**JICK MUNRO & THE AMAZING LASERBEAMS
BOURBONISTA**

I'll drink them good old fashioned bourbons
I'll drink them dark and dusty wines
I'll drink them fine sweet cambered whiskeys
All night long, poor head of mine

Since the day my daddy showed me
how to live or how to fight
I've been good lord, I've been blessing
'till the end of the summer nights

Oh, I, I've been waiting on tomorrow
Oh, I, I've been waiting on that day
Oh, I, I've been good and I've been giving
The bottles keep on changing, 'cause nothing is ever gonna go my way

I'll drink them good old fashioned bourbons
I'll drink them dark and dusty wines
I'll drink them fine sweet cambered whiskeys
All night long, poor head of mine

Oh, I, I've been waiting on tomorrow
Oh, I, I've been waiting on that day
Oh, I, I've been good and I've been blessing
The bottles keep on changing, 'cause nothing is ever gonna go my way

I'll drink them good old fashioned bourbons
