

**JICK MUNRO & THE AMAZING LASERBEAMS**  
**HEARTBROKEN ROAD**

I've been walking down this heartbroken road,  
Got no map and all I've been told  
to find love, don't you know that I love you.

As a child barely standing alone,  
being careless just running along,  
with the rest, never even heard about you

In the end only memories remain,  
of all I've seen, enjoyed and retained,  
then I'll know, all this really was about you.

I've been walking down this heartbroken road,  
Got no map and all I've been told  
to find love, don't you know that I love you

But this road has been given,  
a destination without a sign,  
All of which has remains hidden, for a long long time  
To have learned, to have loved, to have fun in your life

As a child standing alone,  
Being careless, running along.  
And in the end, sure I don't know,  
I want to love you, I want to love you all

I've been walking down this heartbroken road,  
Got no map and all I've been told  
to find love, don't you know that I love you
