

**JICK MUNRO & THE AMAZING LASERBEAMS  
LOOKS**

All day, and all night  
Nothing else but fight, fight, fight,  
Tears and chairs flying though the room  
And then we make the bed go “Boom – Boom - Boom”

One sad morning in the Frisco bay  
She got up walked up and she walked away,  
I’m not shallow but she told me so,  
She thought her looks were better than Jick Munro...

Looks, looks, looks, looks, looks,  
It’s all about them looks!  
Looks, looks, looks, looks, looks,  
All about them looks!

We love girls we can’t deny,  
You won’t even need an alibi.  
I’m gonna lady mine oh mine,  
Lights off baby and “Shine – Shine – Shine”

In the morning you won’t get sad,  
I’ll even make you some breakfast at bed,  
And if you wanna ask me for some more,  
Yeah, but looks ain’t better than Jick Munro...

Looks, looks, looks, looks, looks,  
It’s all about them looks!  
Looks, looks, looks, looks, looks,  
All about them looks!

Looks, looks, looks, looks, looks,  
It’s all about them looks!  
Looks, looks, looks, looks, looks,  
All about them looks!
