

**JICK MUNRO & THE AMAZING LASERBEAMS
ROCKY ROCKET**

In the southern part of texas
Where the grass isn't so green
Live's a man at his momma's
He's the loneliest man you've seen

During the week he's Bob Fayett
With no wife to call his own
But during the weekends he makes up
For then he's never alone

Rocky Rocket, Rocky Rocket, Rocky Rocket
He's a cowboy with no hat
Rocky Rocket, Rocky Rocket
Rocky, Rocky Rocket

He never found a lady
He never found a hat
Still lonely by himself with no one in his bed
Forever more, he feels sore
His momma kicked him out
He's just a legend at the bar where he is screaming loud

Rocky Rocket, Rocky Rocket, Rocky Rocket
He's a cowboy with no hat
Rocky Rocket, Rocky Rocket
Rocky, Rocky Rocket
